Projects

Ramen Saitama | JavaScript, HTML, CSS

December 2024

[Demo](#) | [Github](#)

- Designed and developed a responsive web app for a ramen shop using HTML, CSS, and JavaScript.
- Implemented interactive UI components for detailed shop previews and improved user experience.
- Deployed the project on Netlify to enhance performance and user accessibility.

Theory Training | Javascript, HTML, CSS

December 2024

[Demo](#) | [Github](#)

- Designed and developed a responsive landing page for a private fitness trainer using HTML, CSS, and JavaScript.
- Created a clean, engaging layout that effectively showcases services, testimonials, and call-to-action elements.
- Deployed the site using Netlify to enhance performance and user accessibility.

Command Line Chess | Python

April 2024

[Github](#)

- Developed a fully playable chess game in Python with command-line interface.
- Implemented robust game logic and move validation using object-oriented programming principles.
- Incorporated input validation and user-friendly error handling.

Work Experience

Front-End Web Developer | Freelance

September 2024 - Current

- Designed and developed responsive web pages for clients using JavaScript, HTML, and CSS.
- Improved user experience, making it easier for clients' customers to access business information.
- Increased website traffic and customer engagement for clients through optimized web design.

Veterinary Technician Assistant | Imperial Animal Hospital

La Mirada, CA

December 2020 - February 2024

- Educated clients on the basic procedures that have been done during their appointment and about proper post-treatment care for their pets.
- Assisted the veterinarian and other veterinary technicians with the clients and patients.
- Managed inventory records, ensuring accurate stock levels and timely updates while communicating discrepancies to management and doctor.

Receptionist | Imperial Animal Hospital

La Mirada, CA

August 2020 - September 2020

- Answered phones, helped clients schedule appointments, refilling prescriptions, and general information about their pets.
- Managed inventory records, ensuring accurate stock levels and timely updates while communicating discrepancies to management and doctor.
- Audited both the schedule and hospital financials.

Education

Mt. San Antonio College

January 2025 - Current

University of California, Riverside

June 2023

- Bachelor of Science, Biology

Awards

Eagle Scout

December 2018

- Achieved the highest rank in the Boy Scouts of America, demonstrating leadership, perseverance and community service.
- Planned a community service project for a local church, fundraised through local businesses, and led a group of 60 volunteers in the renovation and beautification of the church courtyard.
